## **Guidelines on Manufacture and Delivery**

Manufacture

We manufacture all equipment to order. On standard custom made orders manufacture time will normally take 15\* working days from date of order. On larger custom built salon orders identified with ▲ manufacturing time is 20\* working days from date of order. Cheques require clearance before the order is manufactured.

Note: \*Manufacture times are approximate and may be subject to change. This will be confirmed at time of ordering or during production. Please add a further 2-3 weeks to the normal custom-made manufacturing time for alternative bespoke finishes and commissioned order requirements eg. alternative wood colour finish. Please allow an additional 2-3 working days for delivery.

Goods are normally despatched by our nominated couriers. Our standard courier service on all equipment orders £60 or over is offered free of charge throughout mainland UK. A signature is required against all our deliveries; we cannot accept responsibility for late deliveries caused by transport delays.

## **Standard Courier Delivery**

The courier will deliver during normal weekday working hours to the address you specify. For larger/heavier equipment identified with **A** a specialist pallet courier will deliver sometime during a given 3- day period. This service transports the equipment fully built, and crated to the entrance of your premises and does not include any installation or fitting (please see our personal delivery if you require an installation service).

## **Additional Manufacturing and Delivery Services** (See additional service charges panel)

Personal Delivery & Installation by Beautelle Technicians (standard manufacturing times apply).

A specialist and personalised service where your equipment is delivered, assembled and installed for you by qualified Beautelle technical staff. We will arrange a specific working weekday and time window, for delivery with you. In addition, your equipment will be demonstrated to you and you will have the opportunity to check over the equipment with the technician on-site. Strongly recommended on larger salon items (particularly hydraulic or electronic equipment) identified with this symbol lacktriangle on salon suite orders or if your premises are not at ground level.

## Personal Delivery & Installation - Additional Services

We also offer a removal service whereby you can arrange for our technicians to dispose of your old equipment. This must be agreed/arranged with us prior to our visit. Should you wish to delay your personal delivery and installation we also provide a safe and secure storage service.

**Accelerated Manufacture with Speedy Delivery** 

An express manufacture and delivery priority service - please check availability.

Specified Day for Delivery (standard manufacturing times apply) Book a specified weekday or Saturday for your courier delivery.

## FREE\* STANDARD COURIER DELIVERY ON ALL EQUIPMENT ORDERS £60 OR OVER THROUGHOUT MAINLAND UK

## Additional Manufacturing and Delivery Service Charges Personal Delivery & Installation: (England & Wales - Scotland POA) 1-3 units £95.00 +vat 4-6 units £145.00 +

## Additional Services:

Removal Service- removal & disposal of old equipment (to be agreed prior to visit). Free of Charge with Personal Installation.

We welcome export orders from around the world and are used to working with oversees clients who prefer to arrange their own shipping agent to collect and transport their export order from our UK Factory. Alternatively we can deliver our equipment worldwide by air or sea.

### Offshore

We regularly ship to offshore UK destinations (e.g. Channel Islands/Ireland).

Export/offshore courier rates are dependant on weight and destination competitive rates available on request.

## Looking after your equipment investment

Feel confident in the knowledge that you have purchased your equipment direct from the manufacturer with the expertise to offer a comprehensive repair and servicing facility.

Maintenance & Servicing:

(please refer below for service charges).

After our 12 month guarantee has elapsed we strongly recommend that in order to keep your Beautelle equipment in excellent condition, it should be serviced regularly.

Our service includes a general 10 point maintenance check & fix; a safety check; an appraisal & cost estimate of any additional factory repair.

Easily portable products can be retuned to our factory workshop for servicing. For customers with fixed electric and hydraulic couches and salon suites we offer a thorough on-site inspection, maintenance and repair service. Please allow approx. 4-6 weeks for us to schedule a site visit - to book please call 0121 332 1850

## Out-of-guarantee Repairs:

Our factory workshop can also offer a comprehensive repair facility for your Beautelle Equipment should it become damaged or require refurbishment or re-upholstering due to general wear. Please contact our customer services on 0121 332 1850 for a quotation.

## Replacement parts:

We are able to supply spare/replacement component parts for our Beautelle equipment - contact our customer services for availability and cost (if applicable), or complete the parts form online at www.beautelle.co.uk
